**D. M. VALENTINE, LL. D.**

**J**UDGE DANIEL M. VALENTINE died at his home in Topeka August 5, 1907. He was seventy-seven years old, and death ensued from a general breakdown, incident to age. He was for nearly twenty-five years a justice of the supreme court, and was admitted to our Academy in 1878.

As one of the pioneers in Kansas he had much to do with its early history, and as a justice of the supreme court was one of the guiding spirits in the construction and interpretation of the state constitution. His reputation as a jurist of ability and integrity is attested by his long term of service. His interest in scientific pursuits was shown by his support of the Academy and he was elected a life-member in 1904. He is survived by his widow and nine children, five sons and four daughters, all of whom worthily represent one of our earliest and most useful citizens.
